## Verse 1

C G Am  
He walks in through the door  
G F C G  
And paces the open room so quietly  
C G Am  
He's got nowhere to go  
C/E F C  
But as the air gets cleared  
G  
Alone he says...

## Chorus

C/E F C G  
Oh this life we live and we die  
C/E F Gsus G  
Let all my words adore you  
C/E F C G  
When this life falls all out of line  
C/E F G  
Your words are what I cling to you

## Verse 2

C G Am  
It's getting late  
G F C G  
He says the things he's held in for so long  
C G Am  
We're both a little dazed  
G F C G C/E F G  
But in the end we find a light that guides us away  
C/E F G  
Us away

Bridge

C            Am            G    F  
Things we found without intending

C    Am    G    F

Accidental revelations

          C    Am    G    F-G

You're all I have

          C/E    F    G

You're all I have

C/E    F        G    C/E – F – G (x2)

All    I    have
