Verse 1

Am C F G Am C F G

Ye - ah, I'm starting again, woh - oo - ooh, I'm starting again (x2)

Verse 2

Am C F G
This time, I'm walking on the edge of the road
Am C F - G
Onto a path I've loathed before
Am C F G
It's coming to me slowly, I'm pretty sure the only
Am C F G
Obstacle, is letting it go
